REPORT OF THE PRESIDENT.

To the Patrons of the Mount Sinai Training School for Nurses:

Owing to unavoidable circumstances, the biennial meetings which should have been held in 1900 and 1902, did not take place. After an interval of six years, it gives me pleasure to welcome you here, to-night, for the purpose of submitting to you the report of the Officers and Directors whose terms of office are about to expire.

It is a source of great gratification to us that we are at last enabled to hold our meetings in this our new home, and before going further I wish to express to the Board of Directors of the Mount Sinai Hospital our earnest thanks for and sincere appreciation of their noble efforts in erecting and equipping this splendid building for the use of our school.

The building is satisfactory in all respects, and affords, what its name implies, a "home" for the nurses when not engaged in the arduous work of the Hospital. We have at present in the School 73 nurses, and are endeavoring to increase the number as rapidly as possible, until we shall have enough to answer the steadily growing demands of our parent institution—the Mount Sinai Hospital. From January 1, 1898, until December 31, 1903, 151 nurses have received their diplomas from our School. The statistics, giving the number of applications received, probationers accepted, and pupils graduated for the past six years, show the following:

	Applications Received.	Probationers Accepted.	Probationers Dropped.	Pupils Dropped and Resigned.	Pupils Graduated.	Pupils Died.
1898	484	58	27	5	21	
1899	494	65	26	9	29	1
1900	399	67	34	7	24	
1901	472	64	30	7	28	
1902	486	72	35	13	25	2
1903	398	71	35	15	24	

The Training School maintains a registry for Mount Sinai Graduates, and, at the present time, this registry contains the names of 151 graduates of this School, whose services can be obtained by application to the Superintendent of the Mount Sinai Training School. The number of nurses supplied through the School registry is as follows:

In 1898	429
“ 1899	575
“ 1900	711
“ 1901	889
“ 1902	1,122
“ 1903	1,184

This steady increase is an encouragement to our trained nurses, and indicates the popularity of the Mount Sinai graduate among the medical profession, as well as among the public at large. It is fully recognized that careful nursing is a most important adjunct to the work of the physician and surgeon, as well as a great comfort to the family of the invalid.

The training which our nurses receive is one unsurpassed by any institution of its kind. The present course requires three years, and includes general medical and surgical nursing, together with ophthalmic, aural, and gynecological nursing; also the nursing of contagious diseases. In addition, the pupils of our School are receiving a course of obstetrical training at the Sloan Maternity Hospital, and we are under obligations to the managers of that institution for the many courtesies shown to us.

Besides the instruction which our nurses receive in the general care of the sick, they are taught how to act in the various emergencies occurring in hospital and private nursing, as well as in the accidents of ordinary life. A professional instructor, who gives lessons in massage, has been engaged by our School, and a systematic course of training in cookery for the sick has been inaugurated.

FINANCES.

The report of the Treasurer shows the following receipts and expenditures for the past six years:

	RECEIPTS.	EXPENDITURES.
1898	\$25,100.61	\$27,644.74
1899	26,228.51	25,604.79
1900	27,183.46	26,993.85
1901	23,979.78	25,017.51
1902	29,892.56	28,272.10
1903	29,274.43	30,785.28

The total receipts for the six years sum up to the amount of \$161,659.35, and the expenditures to \$164,318.27, so that we were compelled to close our books on December 31, 1903, with a deficit, in spite of the fact that we have observed strict economy in every department of our institution.

LEGACIES AND BEQUESTS.

The following amounts were received during the past six years:

David J. Seligman.....	\$500.00
Joel Goldenberg	4,750.00
Louis Stettauer	475.00
Leopold Sinsheimer	500.00
Total	<u>\$6,225.00</u>

The Directors gratefully appreciate the good will manifested toward our institution by these testators. This amount, however, I regret to say, could not be kept in the Permanent Fund, but had to be used for the current expenses of our School. The transfer was made in accordance with our By-Laws, at a regular meeting of the Board.

DONATIONS.

During the year 1902, the sum of \$1,000 was received from Mr. Solomon Loeb, with the request that the income of said sum

be used in some manner for the individual encouragement of worthy pupils. It has been deemed advisable by the Board that annually the two pupil nurses graduating with the highest marks shall each receive a prize, which is to be paid for from the interest of this fund.

We have also received a number of other donations, which are tabulated on a different page, and take this means of expressing to the generous donors the sincere thanks of our Board.

MEMBERSHIP.

We have at present 900 annual contributors on our membership roll, most of whom are paying \$10 per year, and our annual receipts from this source average about \$8,000. It is sincerely hoped that with our larger capacities our income from annual contributors will increase accordingly. For several years past, and particularly so during the time that the new Hospital buildings were being erected, we refrained from appealing to the public for more support. Knowing, however, how liberally the public has responded to the call of the Mount Sinai Hospital for aid in putting up its buildings, we are confident that our next appeal for additional supporters to the School will receive a ready response from all those able to contribute to this worthy cause.

DEATHS.

With a feeling of deep regret and sorrow we annex a list of our friends who have departed this life during the period covered by this report:

The support given to our institution by these noble-minded men and women deserves just recognition, and their names will ever be remembered by us with feelings of gratitude and appreciation.

MEDICAL BOARD.

The Medical Board of the Training School consisted, up to January, 1904, of Doctors Howard Lilienthal, Morris Manges, and Henry Koplik. Doctors Lilienthal and Manges have resigned their offices and their resignations were reluctantly accepted. Their efforts on behalf of our School are very much appreciated by the Directors. The Medical Board of to-day consists of Doctors Nathan E. Brill, Arpad G. Gerster, and Henry Koplik. It has been arranged that these gentlemen of the Medical Board shall be present at the stated meetings of the Board of Directors, and the institution is certainly benefited by their advice and co-operation. It is through their efforts mainly that the curriculum has been thoroughly gone over and changed to meet our present

requirements, and we are under great obligations to them for their untiring devotion to the interests of our School.

We are also very grateful to the members of the Attending and Adjunct Attending Staff of the Mount Sinai Hospital for their cheerful willingness to devote so much time and thought in delivering lectures to the nurses, thereby improving and perfecting their training.

The Committee on Nurses has been re-organized and is now called "The Committee on Nurses and Instruction." The following changes in our Constitution and By-Laws were accordingly adopted at a regular meeting of our institution, viz :

"A Committee on Nurses and Instruction, to be composed of five Directors and the Medical Board hereinafter mentioned."

"The Committee on Nurses and Instruction shall organize as soon after its appointment as practical by the election of a Chairman. The Chairman of the Medical Board shall serve as the Secretary of this Committee. It shall keep minutes of its meetings, and report regularly to the Board of Directors at each stated meeting of the Board."

Paragraph 6 of the By-Laws was also amended and reads now as follows :

"The Medical Board of the Training School shall consist of three members of the Medical Board of the Hospital. Their names shall be proposed by the President of the Medical Board of the Hospital, and when they are confirmed by the Board of Directors of the Training School, they shall constitute the Medical Board of the Training School."

The following change of Article 3 of the Constitution was unanimously adopted at a meeting of the Board of Directors held in November last :

"The Society shall consist of Life Patrons, Life Members, and Patrons."

These changes in, and additions to, our Constitution and By-Laws were necessitated by the fact that the conditions of our institution to-day are entirely different from those existing at the time when our original Constitution and By-Laws were adopted.

DISTRICT NURSING.

The Out-Door Relief and District Service of the Mount Sinai Hospital is well known throughout the community, but it may not be known that the Mount Sinai Training School for Nurses has a certain share in the incalculable good which has been done since the inauguration of this department. We send out trained nurses, who look after the comfort of those patients who are under treatment by the District Physicians at their own homes, and the services of our nurses are of much benefit to these sufferers.

ADMINISTRATIVE DEPARTMENT.

The Administrative Department of the Training School has continued in the hands of Mrs. M. F. Dean, Superintendent, with Miss Annie Lough and Miss Florence Mallory as Assistant Superintendents, and Miss Jones as Night Superintendent; all of whom have fulfilled the duties of their respective offices to the entire satisfaction of our Board.

Last, but not least, I deem it a pleasant duty to express the appreciation of our Board to our loyal friends, Messrs. Hoadly, Lauterbach and Johnson, for their services, which they cheerfully give us at all times.

In closing, I desire to thank you one and all for the support you have given us in the past, and I sincerely hope that every one of you will be instrumental in increasing the roll of annual contributors to our institution, so that we may become self-supporting, and thereby increase our field of usefulness.

KALMAN HAAS,
President.

ARTICLE XI.

The Constitution and By-Laws of the Society may be altered or amended at any meeting of the Board of Directors by the vote of two-thirds of those present; provided, however, that one week's prior notice shall have been given of such proposed change or amendment.

An Executive Committee to be composed of the Vice-President and six members.

A Finance Committee to be composed of three members.

A Committee on Rules and Legal Matters to be composed of three members.

VII.

An Auxiliary Committee consisting of eight ladies shall be appointed by the Board of Directors, who shall assist them in the supervision of the household and economic matters of the Training School. This committee shall select its own chairman, who shall make monthly reports to the Board of Directors.

VIII.

The Committee on Nomination of Officers and Directors shall consist of five members of the Board, other than those whose term of office shall expire at the next general meeting of the Society. This committee shall present to the Board of Directors the names of such nominees as shall have received a majority vote of said committee. All such names shall be confirmed by the Board before presentation at the annual meeting. The committee shall be authorized to have the names thus selected printed on a ballot for use at said general meeting of the Society.

The place of any Officer or Director, who shall have been absent without satisfactory excuse from three successive stated meetings of the Board, may be declared vacant by a majority vote of the Board of Directors.

X.

- Second—President's Report.
- Third—Treasurer's Report.
- Fourth—Reports from the Medical Board.
- Fifth—Communications.
- Sixth—Unfinished Business.

Information for the Admission of Pupils.

The Mount Sinai Training School for Nurses offers a three years' course of training to women who desire to learn the art of nursing the sick.

Applications must be made to the Superintendent of the Training School, Madison avenue and 101st street, New York City.

Personal application may be made on Monday and Friday mornings between 10 and 12 o'clock.

If, owing to distance, this is impossible, blank application forms will be sent by mail, upon request.

Applicants must be between twenty-one and thirty-five years of age, of average height and weight. They must be in sound physical condition, and must possess a thorough knowledge of common and decimal fractions, weights, measures and percentage. They should be prepared to show school diplomas or certificates, as an aid in determining the amount of education which they have received.

Applications are considered in view of the organization of the next class, never in view of a "vacancy."* Accepted applicants may declare themselves ready to enter in advance of the organization of the class for which they have been accepted, should the withdrawal of some member of the school, from sickness or other cause, make possible the immediate admission of another pupil.

Candidates so admitted will begin their probationary term immediately, and if accepted after probation, will become, at once, regular members of the school, though their time will date from the organization of the class for which their applications were originally accepted.

*Next class.

Candidates are summoned for their probationary term in the order of their acceptance. Those who enter late and those who lose time during the course will be obliged to remain until the full term of three years is completed.

The probationary period is two months; in doubtful cases it may be extended, and during this term the candidates are examined in reading, penmanship, English dictation, and simple arithmetic. They receive board, lodging, and laundry, but no compensation.

The Superintendent of the Training School has full power to decide as to their fitness for the work and the propriety of retaining or rejecting them after probation.

They should come provided with sufficient means to enable them to return home in case of non-acceptance.

Reasons for rejection will not be given.

Pupil nurses reside in the Training School and serve in the wards of the Mount Sinai Hospital, or perform such duties outside of the Hospital as may be assigned to them by the Superintendent of the Training School. They receive a monthly allowance of \$8 for the first year, \$12 for the second year, and \$15 for the third year. This allowance is made to enable the pupil nurses to defray the expense of the uniform and text-books, but is not intended as wages, as the education given by the School is considered full equivalent for their services.

During the first six months the record of the pupil is carefully considered, and, if it be found unsatisfactory, the Superintendent of the Training School may dismiss the pupil. At any subsequent time she may suspend, and, only with the approval of the Directors, dismiss a pupil for misconduct, inefficiency, neglect of duty, or for any other reason which may be deemed sufficient.

Failure to pass any examination will be deemed sufficient cause for dismissal.
